We loved the concept, Porsche bringing the axiom of "less" to its axiom of the base of the 911 that, with justice, has defined the Giter of the GT models above in the chain. Additional approach supplied by a sports chassis, a final impulse borrowed from the race, a manual gear lever and a thinner glass in the rear to let in engine noise. There have been little more than two years since we brought you are our first path of the T 991 race, which is a continental journey from the mountains on Minaco to the potholes of Great Britain (it is in The number 162, if you want to take a look). After our first trip with the career, we went out with mixed emotions. For a Porsche 911 almost new outside the turbo alignment, it is a great caida. Anyway, to the destination of our road trip: six hours to the north, on the roads of Montava ± a deserts of the Hartside pass, cumbria. It was a debatable point from the first moment: almost everything that had had the last two back, nullifying any weight of weight that Porsche affirmed that the T had ever had. I would not drive these paths from our 964 V 996 V 991 anniversary group test in early 2014, and forgot how good they are. However, our explosions of pleasure in the steering wheel were matched by disappointment pain thereafter, not because of what it was, but what could have been. It is the ideal recreation courtyard for career T. Taking into account that most were full of options that brought their price to six years of New, which is a negative swing in almost 30%, in just 24 months. It was no different in T. Several months after equipped with the WG3 six-speed manual, but unfortunately the production car arrived with the speed of seven speeds.
